The Traditional Challenge: Why Performance Appraisals Fail to Inspire

Before delving into Zenger Folkman?s solutions, it?s essential to understand why conventional performance appraisals often fall short in inspiring employees.

Common Pitfalls of Traditional Appraisals

- Focus on Criticism Rather Than Development

Many reviews emphasize pointing out weaknesses without providing actionable paths for improvement, leading to defensiveness and disengagement.

- Recency Bias and Subjectivity

Managers tend to remember recent behaviors rather than an entire period's performance, skewing evaluations and reducing fairness.

Annual or semi-annual reviews create an artificial, high-stakes environment rather than fostering continuous growth conversations.

- One-Size-Fits-All Approach

Rigid evaluation templates and ratings often ignore individual differences, preferences, and motivations.
